

Getur Village in Lignano Sabbiadoro is a phenomenal facility and the perfect place for training camps at any time of the year. At the Adriatic Sea between Venice and Trieste, it is an entire sports village with 2 indoor pools (50m and 25m), weight room, fitness center, self-service restaurant, private beach, all sports playgrounds and several hotels with a total of 3000 beds. It's a paradise for swimmers and coaches, since everything is at your fingertips, for training as well as for relaxation and fun. The accommodation rates (room and board plus training) are way lower than what you are used to in other places, where you would possibly go for a training camp.
